

## Attachment B

ROV systems will be allocated points based on their depth capability:

- Up to 2000m depth rated systems 2 points per day
- Up to 4000m depth rated systems 3 points per day
- 4000m – 6000m depth rated systems 5 points per day

AUV systems:

- AUV – Seal 5000m depth rated 3 points per day
- AUV – Abyss 6000m depth rated 3 points per day
- Autosub6000 / 3 / LR 3 points per day
- JAGO 2 points per day

Multi Channel Systems (MCS) including sound source will be allocated points based on capability:

- MCS up to 3000m active sections** 2 points per day
- MCS 3Km – 4.5Km active sections** 3 points per day
- MCS 4.5Km – 6Km active sections** 4 points per day

Specific provision of seismic source and seismic compressors:

- Small airgun array 1 points per day
- Large airgun array 2 points per day
- Air compressors for small array 1 points per day
- Air Compressors for Large Array 2 points per day
- SYSIF EM source 2 points per day

Additional equipment:

- MeBo rockdrill 5 points per day
- PENFELD penetrometer 4 points per day
- TOBI 2 points per day
