10 OFWG : Consideration of recommendations	Binot
11 Technician workshops <ul style="list-style-type: none"><li>• Eurotech 2007</li><li>• RAPID mooring workshop</li></ul>	Webb
12 Any Other Business <ul style="list-style-type: none"><li>• Contact details</li><li>• Future meetings</li></ul>	Webb

### Meeting dates

The Group has two meetings a year: a two-day meeting in the Spring and a one-day meeting in the Autumn. The date(s) for meetings are set well in advance to ensure that as many members as possible can attend. Meeting dates can only be changed at late notice if all members can attend on the proposed new date(s) and no one is financially disadvantaged by the change.

By agreement OFEG will hold its Autumn meetings in Paris, France to allow for as many members as possible to travel to the meeting with having to fly – thereby reducing OFEG's carbon footprint.

Future meeting venues/dates are as follows: Autumn 2007 in Paris, France; Spring 2008 in the Kiel, Germany

Barter exchange enquires protocol:

Barter exchange enquires should only come from OFEG members (see contact details above), and any barter exchange enquiries from members of the science community should be directed back to the appropriate national OFEG member.

---

**For information:**

**Barter bids for 2007/08 from the Autumn 2006 meeting of OFEG**

**BIDS FOR 2007/2008**

1. The Netherlands requires 7 days shiptime in the North Sea in May 2007 (wk 21) (Heincke or Poseidon?)
